Dear friends,

Greetings from Academy of Pediatrics, Vadodara (AOPV)!

Vadodara is famous for its “VAD”, the Banyan tree and AOP, Vadodara is famous for the VAPCONs- the “Vadodara Annual Pediatric Conference”. It is the unflinching faith and active participation of the delegates in our academic programs which attract the best of speakers for the programs organised by AOP, Vadodara. Over the last few years our city has witnessed the entry of young energetic pediatric super-specialists which has raised the standard of treatment for our patients. The highlight of the conference will be a chance to listen to these bright rising star speakers.

The VAPCON-2022 has mix of topics for the interest of all the practicing pediatricians. You will have opportunity to sharpen your skills in managing recurrent fevers. A full panel of speakers of repute will test your knowledge discussing some interesting cases. You will have more insight on snore and learn how not to err. Immunisation, which is the bread and butter of any practicing paediatrician will be dialogued. The super-specialists will transmit their special knowledge on subjects of endocrinology, cardiology, gastroenterology and nephrology. Overall this VAPCON will make you a more learned paediatrician. We look forward to seeing you in this academic feast.
